

SPONSORSHIP OPPORTUNITIES

Polynesian Fête in Okinawa 2027

Tahiti Fête in Okinawa / Okinawa Siva Afi Competition

Polynesian Fête in Okinawa 2027 is seeking companies and organizations to join us in supporting and energizing this event. Sponsors will receive promotional opportunities through venue banners, the official event program, staff T-shirts, official social media, and the event website.

Polynesian Fête in Okinawa is an event that shares the appeal of Polynesian culture from Okinawa, centered around Tahitian dance and Samoan fire knife dance competitions.

The event welcomes dancers and related participants not only from Okinawa, but from across Japan and overseas, creating a growing place for exchange across generations, countries, and regions.

Through the cultures of Tahiti, Hawai'i, Samoa, and the wider Polynesian region, we aim to connect Okinawa with the rest of Japan and the world. Sponsorship offers an opportunity to introduce your company or brand to participants, families, event staff, and spectators from Okinawa, throughout Japan, and abroad. We look forward to working together with our sponsors to make the event even more exciting.
